

Flight Reporting

When using smartCARS 3, it will track all aspects of your flight report. Flight Reports are what give you credit for flights you flew and will populate your stats as a Canada Air Virtual pilot.

Landing at an Incorrect Airport

smartCARS 3 will recognize you have landed at an incorrect airport and your flight report will be **denied**.

Manual Flight Report

Manual Flight Reports are **ONLY** to be submitted if an error with your simulator or smartCARS 3 is encountered.

Manual Flight Reports must contain an explanation as to why it is being submitted manually.

Manual Flight Reports with no explanation or with incomplete information will be **Rejected**.

Manual Flight Reports that are submitted because the user forgot to start smartCARS 3 will be **Rejected**.
